

Snow Policy

First Student Buses

If your student rides a First Student bus, you need to be extra vigilant during inclement weather. First Student buses follow the Cincinnati Public School schedule. If Annunciation is on a two-hour delay, but CPS is not, buses will not delay morning pick-up. In that case, parents will be responsible for morning transportation. Afternoon transportation should be provided on-time.

You will need to listen/look for two separate snow announcements.

Annunciation Catholic School's Snow Policy

In the event of inclement weather, Annunciation Catholic School may be forced to close or delay school for the day. In that case, you will hear/see the following on radio and TV:

Annunciation Catholic School – Closed or Two-Hour Delay

Please do not call the school or parish office for school closing information. Watch the local news channels for the fastest reporting. Parents who have provided an email address will also receive a communication concerning school closings or delays via email message. Please keep all phone #'s and email addresses up-to-date with the office. Notify the school and parish offices if you have moved, changed phone numbers, or email addresses.

**If we are on a two-hour delay, school will begin at 9:45 am,
and there will be NO MORNING PRESCHOOL.**
